

SCCA Grading List 2005

by Raymond Baxter
 Last Updated 14 March 2005
 * denotes a provisional grade

April 2005 ICCF Notes

A new ICCF grading list has been published. The new grades are based on results up to 31 December 2004, and will apply to internationally graded games starting between 1 April and 30 September this year. The following full grading list includes the changed ICCF ratings. If your name does not appear on this list, then you have neither a domestic nor an international grade. A provisional grade is marked with an asterisk.

February 2005 SCCA Notes

The grading list follows the same pattern as in recent years. Two grades are shown for those players with provisional ICCF grades (i.e. grades based on less than 30 results). If you meet a player with two grades, the one that is based on the greater number of results will be used in the calculation of your SCCA grade. As well as international matches and ICCF tournaments, the following Scottish events are used in the ICCF grading: Championship, Candidates, and Division 1 of the League. 12 results are needed for an ICCF grade to be published.

The SCCA grades shown in this list take account of all results which appeared on the website by 20 January 2005. The new grades will be used for games starting in 2005. All SCCA events listed in the magazine and the website are included, except the Openings tournament. Friendly internationals are also included if the opponent's grade is known. Grades are calculated for players who have had eight or more results, provided these results were against graded players, or against ungraded players for whom it has been possible to estimate a grade.

Two members, A G Dawson and R J T F Greene were active in 2004 but have not yet accumulated the required eight results, and therefore have no grades. A provisional grade (i.e. one based on less than 30 results) is marked with an asterisk. Life members are shown with membership numbers above 500. If your name is shown wrongly, or if you are doubtful whether your grade or the number of results is correct, please let me know by emailing: grader@scottishcca.co.uk

Note that correspondence grades are often substantially higher than over-the-board grades.
